ABOUT US

The – team **HMPL (Harikrushna Machines Pvt. Ltd.)** consists of a diverse yet cohesive pool of experts with a feedback-rich dynamic environment that embraces change and learns from their collective experiences. We thrive on **QUALITY & COMPLIANCE** required to support manufacturing requirement. This adds value to our clients and their subsequent end-users and also adds great intrinsic value to our talent pool.

We take great pride in the team that we have nurtured at **HMPL** packaging raw material division. Every individual is passionate and self-driven with a strong application bias and can work well in a team and as a leader based on the need of the hour. Their indomitable resolve to find solutions to our client's problems, big or small, helps in increasing the quality and productivity of their concept to operations thereby giving impetus to high-quality, affordable Ready to deliver the pharmaceutical product.

The core purpose for us to be in business is to add tangible value from a strategic business Idea to Commercialization. We always thrive to serve our valued clients with the best & most comprehensive technical consulting and End to end solution for customer.
